

# Ultimate Alaska Wildlife Safari

An Epic Small-Group Nature Adventure—All-Encompassing & Away from Crowds!

While superlatives strive to convey the grandeur of Alaska, they never quite manage to capture the reality. Our Ultimate Alaska Wildlife Safari does, though. In the company of some of Alaska's top naturalist guides, we take you far afield from the heavily touristed routes and into a genuine Alaskan wilderness adventure. Experience the silent inner heart of Denali, where wolves and grizzlies roam the tundra. Come alongside the face of a calving glacier and look for whales and otters on a private yacht cruise in Kenai Fjords. At the edge of the Brooks River in Katmai National Park, watch giant brown bears fish for salmon. This is Alaska "less discovered:" bigger, wilder and more enthralling than you ever imagined. You've got to see it for yourself!

- » Our exclusive itinerary takes you away from more crowded routes and includes close-up viewing of Alaska's famous brown bears at Brooks Falls in Katmai National Park
- » Experience genuine wilderness in the remote reaches of Denali National Park as we overnight at one of the few lodges located deep within the park's interior
- » Cruise Kenai Fjords aboard our chartered yacht among glaciers, icebergs and marine wildlife, and stay in splendid isolation on private Fox Island
